

Sonoma County Farm Bureau

TRAINING PROGRAM 2016

Class Location: Sonoma County Farm Bureau
970 Piner Rd. Santa Rosa

*NEXT SERIES SEMINAR:
THURSDAY, AUGUST 11TH*

CA Employers: Are You in Compliance? Confined Space and Night Work

***California agricultural employers are more regulated than any other in our nation.
Do you know everything that is required of you for 2016 and beyond?
Sonoma County Farm Bureau is bringing the information to you.***

*** Confined space issues affect many producers and growers. Have you and your employees been formerly trained? Learn about proper training for your commodity.

*** Are there Night Work regulations? Can a visit from Cal/OSHA still end in fines? Cal/OSHA will present "accepted practices" for your business.

Take this opportunity to consult with Michael C. Alvarez, Educational Outreach Trainer for the Division of Occupational Safety and Health (Cal/OSHA). Michael's instructional career includes years of management with Cal/OSHA Consultation formulating Education and Training Unit Programs, and Response Services for national environmental disasters.

The seminar will be presented in English and held from 9am to Noon. The fee is \$25 for Farm Bureau members and \$55 for non-members. Non-members *joining* Sonoma County Farm Bureau can attend their first series seminar free.

**** Advanced registration is required by July 28th as seating is limited.**
